

Community Consultation

WEDNESDAY 15 NOVEMBER, 5.30pm

**Italian Australian Club,
499-501 Princes Drive, Morwell**

Let's continue the conversation

You're invited to hear from ENGIE Hazelwood's senior managers as they provide an overview of the feedback received at our Community Consultation Workshop held in September.

We ask you to contribute to the discussions as we work with the community through the key themes identified which will include an update on our fire preparedness activities.

Should you or a representative from your organisation wish to attend, please contact

Lauren Carey, External Communications Manager,
via email lauren.carey@au.engie.com or on
0418 147 788 to register your attendance.

I look forward to you again joining us in the conversation.

Tony Innocenzi
Project Director ENGIE Hazelwood
