

Hazelwood Community Information Meeting

Let's continue the conversation

WEDNESDAY 14 NOVEMBER, 5.30pm
Italian Australian Club,
499-501 Princes Drive, Morwell

This year has been another busy one for the Hazelwood Rehabilitation Project with the temporary closure of the Hazelwood Pondage and our fire preparedness plans in particular creating much interest.

The community and other interested stakeholders are invited to hear from members of ENGIE Hazelwood's senior management team at a public information session.

We ask you to join us and contribute to the discussions, ask questions and join in the conversation.

To RSVP attendance please contact hazelwood@au.engie.com or 03 5135 5000.
