

Hazelwood Community Information Meeting

Let's continue the conversation

WEDNESDAY 25 JULY, 5.30pm
Italian Australian Club,
499-501 Princes Drive, Morwell

The community and other interested stakeholders are invited to hear from members of ENGIE Hazelwood's senior management team at a public information session where you will be provided with an update on the range of technical studies being undertaken as part of the rehabilitation project.

Learn more about what studies are being carried out at both the Power Station and Mine which will assist in informing the final landform for both sites.

We ask you to join us and contribute to the discussions, ask questions and join in the conversation.

To RSVP attendance please contact hazelwood@au.engie.com or 03 5135 5000.
