

ENGIE

Hazelwood Community Information Meeting

Let's continue the conversation

WEDNESDAY 14 MARCH, 5.30pm
Italian Australian Club,
499-501 Princes Drive, Morwell

The community and other interested stakeholders are invited to hear from members of ENGIE Hazelwood's senior management team at a public information session where an update on current and planned decommissioning and rehabilitation works will be provided 12 months on from closure.

We want the people who live and work in the Latrobe Valley, who operate business and industry, and who are passionate about the future of Morwell and the wider Latrobe Valley, to contribute to the discussions, ask questions and join us in the conversation.

To RSVP attendance please contact corporateaffairs@au.engie.com or 03 5135 5000.
