

Hazelwood Mine Rehabilitation

At our recent Hazelwood community engagement workshop, our community expressed a desire to have further round-table discussions with our experts on proposed Mine rehabilitation activities.

The first of these will be with our Mine Technical Services Manager, James Faithful. It is designed to continue the discussion many have already started with James. This will be a small workshop so registrations are essential. To register your attendance, please contact hazelwood@au.engie.com or call 5135 5000.

FOCUS GROUPS

Italian Australian Club, 499-501 Princes Drive, Morwell

Tuesday 17 October	5.30pm
Thursday 19 October	2.30pm
Thursday 19 October	5.30pm
