- b) If allowed by Law, we may base a bill on an estimate of your Energy usage. We'll show this on your bill and adjust a later bill for the difference between our estimate and your actual Energy usage.
- c) If you ask us to, we'll replace an estimated bill with one based on a meter reading. We may apply a fee for doing this.

Your Distributor is responsible for the connection between the Distribution Network and your Premises and for the physical supply of Energy to your Premises including the quality and reliability of the Energy supplied.

#### 7.2 Our limited role

We are an Energy retailer and do not control the physical supply of Energy. We can ask your Distributor to connect your Premises to the Distribution Network, which we'll do at your request. Except to that extent or as otherwise provided by Law, we are not liable to you for ensuring the physical supply of Energy.

#### 7.3 Your Energy supply

- b) we may notify you that, if you don't enter into an alternative arrangement with us within 20 Business Days of our notice, we may have your Premises disconnected; and
